Subject: Contribution of roofing supplies

We would like to thank you for your generous contribution of roofing supplies to aid in the restoration of our storage shed. The shed had been in need of repairs for some time now, but when stored items were getting wet it was time to try and do something.

Our resources for this type of project are very limited. The Lions Club reached out to the community we serve and the generous response from area businesses, such as yourself and individuals will now make it possible for us to restore the shed and protect our valuable items stored within.

We could not continue our humanitarian efforts without the generous support of the community.

Thanks so very much for your assistance.

  
Susan Wiand
